

4 APPS
2 ACCOUNTS

Recordable Whiteboard

Teacher & Students can
record lessons and
presentations with pen,
images and movement

Cloud Video Storage

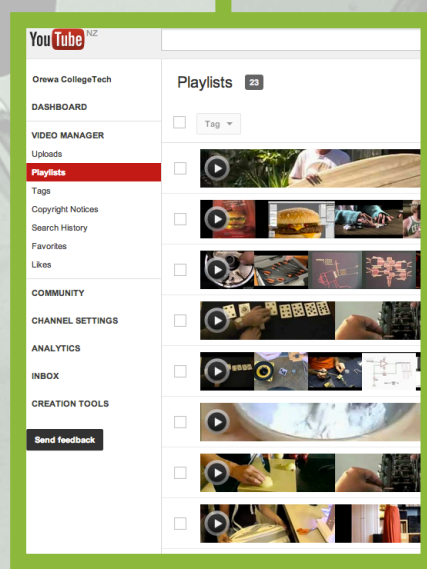

Video is the primary storage problem as video files are the largest. Playlists allow the class to folder videos for organisation.

Cloud student notebooks

With one Evernote account, the students can create different folders to store their own work. This includes web clips, images, writing & Audio.

Evernote's Sketchpad

Students can create sketchpads for freehand work and drawing. There's 4 paper types and it auto-syncs to the class Evernote account.

Notebooks sync to
teachers Laptop

Freehand to Evernote
