

SITTI MODEL = SCHOOL IMPROVEMENT THROUGH TEACHER INQUIRY

by Richard Wells

more at iPad4schools.org

Twitter: @iPadWells

1

VISION

Values and expectations

2

GOALS

School focus points to achieve vision

3

INQUIRIES

Regular, formally evaluated teaching experiments targeting school goals

4

TECH

Normally tech can assist any new strategy
Find out how.

5

PD

Request / design PD directly relevant to the inquiry / experiment

6

EVALUATE

Evaluate with Data and surveys on how to improve further

What do we stand for?

What areas need development to achieve vision?

What strategy might make improvement?

Cloud?
Online?
Collaborate?
Devices?
Apps?

Learn to maximise potential of inquiry

What improved?
What's still needed?

TEACHER REGISTRATION / PROFESSIONAL STANDARDS

Aspects of this process fulfil most Teacher Registration **criteria**
